TO WHOMSOEVER IT MAY CONCERN

M/s GANDHI AND ASSOCIATES, Vadodara have been associated with all the four operating plants of IFFCO in carrying out FRP Lining, Tanks, Pipes, Bends, Insulation, Grating and supply of FRP Pipes, Bends, Reducers, Tanks and insulating material etc. etc. of substantial value.

To be best of my knowledge their performance in carrying out the awarded work were found to be very satisfactory. Similarly their supply of FRP material was also found to be standard quality.

I am sure M/s Gandhi And Associates can carry-out FRP connected jobs and supply FRP material of standard quality valuing substantial amount if assigned to them.

This letter is issued in response to their request by GA/BX-15/1411/97 dated 18/7/1997.

for INDIAN FARMERS FERTILISER COOPERATIVE LTD.

J.P. SINGH
Executive Director (Planning)
